Vocal Accompanists Urgently Needed

If you have an interest in accompanying vocal participants in the festival for practices and performances, please contact Debbie Sambrook 747-3106 or 747-3837 for more information.

Performances will be during vocal week – usually scheduled 2-3 days during the 2nd or 3rd week in April.

We have many students wishing to perform but have difficulty finding an accompanist, especially for performances during the day.

Accompanists must be available during the day if needed
